

OFFICIAL ENDORSEMENT

PROJECT WILD STREETS

Empowering people to change the green
landscape of their cities

AUGMENTED REALITY
BIG DATA
3D GREENERY

The Wild Streets app enables the co-creation
of tomorrow's sustainable, green cities in the
image of the people that inhabits them

MEMORANDUM OF ENDORSEMENT

WILD STREETS

The purpose of this memorandum is to announce the decision of _____ to officially endorse Wild Streets (not-for profit association registered in Denmark with CVR no. 39872595), a tech-based urban greening project with focus on participatory city planning, the multidimensional sustainability impacts of urban greening, and the potential of carefully designed and considered technology to engage and inform citizens.

_____ has chosen to endorse Wild Streets as its core goals and visions align with those of the organization. In turn, Wild Streets will have the right to use the name and logo of _____ in its promotional materials including its website. No monetary support is expected of _____.
